

Community Health and Wellbeing Grants Application Form Additional Information 2024

Thank you for your interest in applying to the Community Health and Wellbeing Grant scheme, please use this Additional Information document alongside the Guidance document and the Application Form.

There are three sections in the application form and this document will provide additional information on how to complete each section.

Section A: About You

Question number	Additional information
10	Please ensure that you provide two people's contact details. If you are successful, we will need you to provide supplementary documents for us to process the grant and the payment. This will need to be done in a timely manner. The documents that you will be required to submit are listed in Section D of the application form.
11	
12	Please include any applications you have made to Gloucestershire County Council as well as Gloucestershire ICB, however, please note that any previous applications whether successful or not will not affect this grants process
15	Please add here if you have an existing links to the ICB we should be aware of. This includes, for example, current commissioning contracts or existing relationships that you would include on a conflicts of interest declaration.

Section B: About Your Application

Question number	Additional information
3	Please make sure that you explain how your application meets the scoring criteria as referenced in the guidance document including the aims of the funding
6	Please indicate where in Gloucestershire this investment will be supporting, including town and district where applicable e.g. Nailsworth, within the Stroud District. This can be more than one area or the whole county
7	<p>We ask as a minimum that funded organisations sign up to the Your Circle website to advertise their activities and engage with their local Know Your Patch Networks.</p> <ul style="list-style-type: none"> • Home YourCircle • Know Your Patch – Know Your Patch <p>Additionally, we will share details of funded organisations with our Primary Care Networks, Hospital and Community Healthcare staff and Adult Social Care operational teams, as there may be relevant services</p>

	to discuss within conversations that support individuals and communities in Gloucestershire.
8	Please explain why this investment is needed, and where possible, provide evidence and data.
