What are the Fit for the Future Evaluation Criteria?

There were 5 criteria used to test the potential solutions. Each of the criteria has a series of questions.

- > Quality of care
- > Access to care
- Deliverability
- > Workforce
- Acceptability: this was a test of whether the potential solution satisfactorily takes into account, and responds to, the Fit for the Future Output of Engagement Report.

If you want to see a full list of all the evaluation questions, please read Appendix 10 of the Fit for the Future Pre-Consultation Business Case at www.onegloucestershire.net/yoursay

Quality of care

- > Outcomes for patients
- > Patient and carer experience
- > How joined up the care would be
- > The quality of the care environment
- > Transfer of patients between sites
- > Travel times and risk

Workforce

- Impact on staff numbers and resilience making best use of clinical staff (e.g. doctors, nurses and other staff)
- > Joined up working across health services
- > Flexible use of staff and innovative staffing
- > Staff health and wellbeing
- > Recruiting and keeping staff
- > Maintaining or improving the availability of trainers
- > Staff development
- > Impact on travel for staff and clinical supervision

Access to care

- > Patient choice
- > Making access simple
- > Impact on travel for patients, carers and families
- > Waiting times
- > Supporting the use of new technology to improve access
- > Improving or maintaining service hours and locations
- > Impact on equality for all and health inequalities
- > Accounting for changes in population size and demographics

Fit for the Future Evaluation Criteria

Acceptability

 Taking into account and responding to the Fit for the Future Outcome of Engagement Report

Deliverability

- > Expected time to implement the changes, meeting relevant national regional or local timescales
- > Regional or local timescales
- Access to the required staffing: numbers and skills, support services, premises and technology to support successful implementation
