What are the Fit for the Future Evaluation Criteria?

There were 5 criteria used to test the potential solutions. Each of the criteria has a series of questions.

> Quality of care
> Access to care
> Deliverability
> Workforce
> Acceptability: this was a test of whether the potential solution satisfactorily takes into account, and responds to, the Fit for the Future Output of Engagement Report.

If you want to see a full list of all the evaluation questions, please read Appendix 10 of the Fit for the Future Pre-Consultation Business Case at www.onegloucestershire.net/yoursay
